DIRECTIONS

To solve the Mystery, insert paper in the typewriter (horizontally—the long way—since the design has 95 horizontal spaces), set side margins for a 95-space line, and begin typing line by line. Space down 4 single spaces from the top of the paper. *Symbols:* 5sp means strike the space bar 5 times; 20: means strike the colon 20 times; 1$ means strike the dollar sign 1 time; etc. Keep shift lock depressed throughout entire typing.

DIRECTIONS

To solve the Mystery, insert paper in the typewriter, space down 2 spaces from the top, set side margins for a 77-space line, and begin typing, line by line. Symbols: 14sp means strike the space bar 14 times;,8V means strike the "V" 8 times; 3# means strike the number sign (#) 3 times; etc. Keep shift lock depressed throughout entire typing.

Note: Because of the vertical length of this design (63 spaces), use an 8½ x 13 sheet, if possible. If you do, space down 7 spaces from the top before starting to type.
